+4915221685513 samuildimov347@gmail.com

Career Objective

Develop my skills in different areas to gain experience which I can implement in my own projects. Work precisely and take any opportunity that could challenge me to widen my horizons.

Additional Skills

- Graphic Design Skills
- Video Editing Skills
- Sleight of Hand Skills
- Welding Skills
- Critical Thinking
- Communication Skills

Work Experience

2019 Mar - 2020 May
Wittich Design, Graphic Designer

Graphic Designer

- Since I have worked for an Advertisement company, the skills I have developed are very valuable, such as; working in a team, communicating with customers adequately through the process of design, and of course my skills with Adobe software.
- Developed a re-brand for a company starting from logos to working schedule.

2020 May - 2021 May
Gebrüder Wöhrle
Grundbau

Welder

- Developed my welding skills immensely and got the opportunity to work with different materials. Starting with a little iron plate to building carriers.
- Learned how to drive forklifts, cranes, and many other vehicles.
